Warranty offered exclusively by Guardian Protection Products, Inc.

PLEASE READ CAREFULLY

This is not a warranty of the retail establishment from which you purchased your furniture protection product. **Coverage is limited to invoices no greater than \$20,000.** Warranty coverage is limited to North America. All warranty claims must be submitted to Guardian Protection Products, Inc. This Protection Plan is not a cleaning or maintenance contract, insurance policy, or original manufacturer's warranty. This plan is only valid for new furniture that was purchased at the same time as this Protection Plan, and appears on the sales receipt as such.

GENERAL TERMS AND CONDITIONS OF THIS LIMITED WARRANTY:

This warranty, issued by Guardian Protection Products, Inc., hereinafter referred to as

"Guardian" applies to the original owner of the new furniture item(s) purchased with this warranty and listed on the invoice, hereinafter referred to as "Customer".

Guardian warrants the furniture purchased with this warranty, and will service the item(s) as outlined below, within five (5) years from the date of delivery.

COVERAGE FOR FABRIC UPHOLSTERED FURNITURE:

1. Accidental stains caused by any food or beverage normally consumed by humans, human or pet bodily fluids, grass, grease, ballpoint pen ink, iodine, nail polish, cosmetics, lipstick, crayon, and shoe polish.
2. Mold or mildew stains caused from any food or beverage normally consumed by humans.

TO QUALIFY FOR THIS LIMITED WARRANTY, THE CUSTOMER MUST:

1. Have their newly purchased furniture picked up or delivered stain, damage, and soil-free from the authorized dealer.
2. Report all warranty claims to Guardian within 30 days of noticing the accidental stain.
3. Clean the stained areas only as directed by the reverse side of this card. Do not attempt to clean a stain with any unauthorized chemicals as this could cause damage that is not covered by this warranty and could void any future warranty claim.

Warranty registration should be completed by the store at the time of furniture and warranty purchase. Incomplete registration will be directed back to the retailer to confirm

eligibility to file a claim. Cleaning or replacement of furniture MUST be first authorized by Guardian and MUST have a Guardian authorization number before any service or replacement is initiated. The Customer must relinquish the replaced item to an authorized Guardian representative.

NOTE: The Customer shall reasonably cooperate with Guardian in its efforts to perform its obligations under this warranty. Failure to comply with the provisions in this warranty may void any claim. Guardian has the right to void a claim should the customer refuse our attempts to service.

GUARDIAN WILL BE RESPONSIBLE ONLY FOR SERVICING THE WARRANTED STAINED AREA OF THE FABRIC AS FOLLOWS:

1. Providing the Customer with a toll-free number to file claims for warranted stains.
2. If the warranted stain persists, Guardian will provide a cleaning kit or have the warranted stained area serviced by a professional technician at no charge to the Customer. Professional cleaning is limited to the warranted stained area only.
3. If the technician cannot remove the warranted stain, Guardian may replace the stained area of the fabric if the fabric is available. If the fabric is not available, the Customer can select a new replacement piece equal in value to the original purchase price from the retailer from whom this warranty was purchased. This value excludes all taxes, delivery/shipping fees or warranty purchase price paid on the original invoice.

NOTE: Replacement is limited to the retail store where the warranty was purchased. If the customer moves outside of the delivery area of the retail location of purchase, the customer can choose to pay all applicable shipping/delivery costs associated with the warranty claim or choose to have the warranty purchase price refunded. This option is dependent upon the retailer and the availability of services that may vary from location to location.

NOTE: If the retailer from whom this warranty was purchased is no longer in business, in the case of a warranted claim, the warranty becomes service only. If the item(s) cannot be serviced, Guardian's liability will be limited to a refund of the purchase price of this warranty protection plan. Once a refund has been issued for any item, all terms and conditions of the warranty will be fulfilled and all future claims will be void.

Guardian is not responsible for fabric dye lot variations or manufacturer's discontinuation. Replacement is limited to the warranted stained item(s) only. Replacement of any item covered by this warranty fulfills all terms and conditions of warranty coverage for that item. Additional warranty coverage may be purchased for the replaced item(s) from the retailer from whom this warranty was purchased. All replaced item(s) become the property of Guardian.

In an event of a warranted claim, the Customer may be given the option of a full refund of their Guardian Protection Program purchase in lieu of cleaning or replacement, should the Customer decide to keep the original furniture in its present condition.

This limited warranty gives you specific rights and you may also have other rights that may vary from location to location.

CARE INSTRUCTIONS

USE OF ANY UNAUTHORIZED CLEANING PRODUCTS OR METHODS COULD VOID THIS WARRANTY!

Responding to a spill quickly will reduce the chance of it becoming a permanent stain.

If you should spill a substance on your furniture, please follow the instructions below:

- Immediately blot up liquid spills with a dry or lightly dampened (but never wet) clean white cloth, sponge or paper towel. To blot, simply place the clean white cloth, sponge or paper towel directly on top of the spill applying light pressure to absorb as much of the liquid as possible. Be careful not to damage the fabric by rubbing.
- Gently scrape off any solid residue prior to cleaning. Work from the edge of the spill toward the center to prevent spreading.
- If you received a fabric cleaning product with your warranty certificate, then proceed per the instructions below. ***If you did not receive a cleaning product, and the stain remains after blotting, please contact Guardian Warranty Services department immediately at 1-800-527-8485.***

Before attempting to clean with Guardian authorized products, check for colorfastness by following these instructions:

1. Using warm water lightly dampen (never wet) a clean white absorbent cloth or paper towel, blot in an inconspicuous area of the furniture piece.
2. If color lifts, your furniture is not colorfast and is not covered by this warranty. Refer back to the retail establishment from whom you purchased this warranty plan as the Guardian Warranty excludes sale of warranties to non-colorfast surfaces.
3. If color does not transfer, proceed with the directions below.
4. If you received a fabric cleaning product with your warranty certificate, then use according to the instructions. Only use products supplied with the purchase of this warranty. Use of any unauthorized cleaning products or methods could void this warranty. ***If a stain remains after cleaning, please contact Guardian Warranty Services department immediately at 1-800-527-8485.***

If your retailer provides furniture care products with this warranty certificate, please use these products according to the instructions for general care and maintenance of your furniture. These products may list cleaning advice for specific stains not covered by this warranty certificate. Please review the warranty for complete details.

A regular schedule of vacuuming is important in the proper maintenance of fabrics. To ensure greater longevity of your furniture's appearance, do not place in direct sunlight or near heat sources.

If a general cleaning is desired, please consult a licensed service technician in your area. This warranty does not cover general cleanings.
